

RSC – 1401HW

55" Wide Format Heat Assist Laminate

This 55" Heat Assist Roll Laminate is ideal for the Sign Shop. Combine with a 54" inkjet printer to provide endless finishing solutions. Enhanced features and functions make laminating easy.

HIGHLIGHTS

- **Easy to Use** Digital controls for speed, and includes a rear remote control and foot pedal for hands-free operation
- **Fast Adjustments** Quick Notch system for gap adjustment and auto-grip hubs allow quick and easy replacement of roll films
- **Rear Winder Standard** Winds up long runs of laminated materials to help prevent kinking or other damage and saves time
- **Heat Assist Top Roller** Improves application and makes colors appear more vivid

The RSC-1401HW is a high quality, economically priced cold laminator with top roller heat assist capabilities specifically designed for users to easily and professionally finish wide format graphics. Built for safety and ease of use, this sturdy machine is perfect for laminating and mounting pressure-sensitive graphics up to 55" wide. It has a durable, sturdy frame construction and requires little assembly and minimal maintenance. By adding an optional front roll feed assembly, automatic roll to roll lamination is made very simple. Backed by 25 years of experience, the RSC-1401HW is a smart option for today's sign shops.

Auto grips to secure film cores to feed and wind up rollers

User friendly controls simplify operation

Cross cutter permits simple cutoff as the laminated material exits the rear
